

Hilton Creek Community Services District
Operator in Training / Maintenance Technician

Date:

Position Title: Operator in Training / Maintenance Technician

Reports to: General Manager

Wage: \$17.50 to \$22.00

Term: Will consider both part-time and full-time applicants

Position Summary:

Under supervision of the General Manager this position learns operational and maintenance activities for the Hilton Creek Community Services District wastewater treatment plant, sewer collection system, sewer lift station, road maintenance for the Juniper Drive loop, and other related duties as assigned. This job is contingent on successfully obtaining a State Water Resource Control Board Operator II certificate within the applicable timeline.

Essential Job Duties:

- Learn wastewater treatment processes to safely and efficiently meet all regulatory permit requirements.
- Monitors, troubleshoots, and performs minor repairs on various agency equipment
- Learn minor laboratory tests, including but not limited to, dissolved oxygen, pH, ammonia, and nitrate.
- Drives agency equipment and vehicles
- Performs daily plant and infrastructure checks as assigned
- Under supervision, cleans wastewater infrastructure, tanks and equipment, and learns process control.
- Performs housekeeping tasks and maintains general cleanliness of agency property.
- Assist with preventative maintenance tasks on agency infrastructure
- Responds to on-call and emergency situations
- Performs related duties as assigned
- Ability to work weekends, holidays, and on-call shifts
- Ability to work in extreme weather including but not limited to excess snow, heat, wind, cold and rain.

Qualification Requirements:

- Current Operator in Training certificate or ability to obtain within 12 months, with the desire to obtain a Grade II Wastewater Operator Certificate when requirements have been met.
- Valid California Drivers license

- Ability to operate a full range of equipment commonly found in wastewater treatment plants, including personal computer and common power tools
- Ability to work outside in a variety of weather conditions
- Ability to lift up to 50 pounds
- Ability to work safely in accordance with safety precautions, rules and regulations

Salary and Benefits

Wage: \$17.50 to \$22.00 depending on experience

Desirable Skills

- Electrical and instrumentation experience
- CWEA certifications
- Snow removal experience
- Higher education with science coursework (please send an unofficial transcript if applicable)

How to Apply

Email a cover letter, resume, and copy of applicable certificates to info@hiltoncreekcsd.com

The Hilton Creek Community Services District does not discriminate against any applicant for employment on the basis of age, race, color, sex, ancestry, national origin, pregnancy, marital status, sexual orientation, sexual identity, religion, military status, medical condition, mental disability, and physical disability.

The list of essential job duties contained in this job description is not exhaustive, and may be supplemented as necessary. This position performs other related duties as assigned, some of which may become essential to the position. Any offer of employment for this position is contingent upon receipt of acceptable results from a background investigation and drug screen.
